**EXPENDITURE EXPLANATION**

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

**REVENUE EXPLANATION**

Proposed law will increase revenues into the statutorily dedicated Conservation Fund by a nominal amount for the Louisiana Department of Wildlife and Fisheries. Currently, nonresident bear hunters can only enter the landowner permit lottery. If they receive a permit to hunt, they must transfer the permit to a resident who can hunt with a resident bear license. Proposed law would allow nonresident landowners who are granted a permit to purchase a license and hunt on their own property. For informational purposes, only 17 landowner permits, for both residents and nonresidents, were awarded in 2025.
