

2026 Regular Session

HOUSE RESOLUTION NO. 191

BY REPRESENTATIVE WILDER

A RESOLUTION

To urge and request the Department of Transportation and Development to study the installation of and considerations for safety data supporting mountable median curbs, including alternative options, on Range Avenue in Denham Springs, Louisiana.

WHEREAS, Range Avenue is a major commercial and transportation corridor in Denham Springs, Louisiana; and

WHEREAS, concerns have been raised regarding whether sufficient right-of-way was available for proper installation of the mountable median curbs; and

WHEREAS, the local business community has questions regarding what consideration was given to businesses and the effects on commerce along the corridor; and

WHEREAS, there is a need to ascertain whether safety data supports the installation of the mountable median curbs; and

WHEREAS, concerns have been raised regarding possible alternative options that could have been implemented with similar safety outcomes.

THEREFORE, BE IT RESOLVED that the House of Representatives of the Legislature of Louisiana does hereby urge and request the Department of Transportation and Development to study the installation of and considerations for safety data supporting mountable median curbs, including alternative options, on Range Avenue in Denham Springs, Louisiana.

BE IT FURTHER RESOLVED that the Department of Transportation and Development shall submit a written report detailing its findings to the House Committee on Transportation, Highways and Public Works on or before December 1, 2026.

BE IT FURTHER RESOLVED that a copy of this Resolution be transmitted to the secretary of the Department of Transportation and Development.
