Subject: Child Welfare - Child Fatalities or Near Fatalities		

CHILDREN RR INCREASE GF EX See Note Page 1 of 2
 Provides relative to child welfare. (8/1/26)

Proposed law requires the state child ombudsman to notify, without identifying information, senators/representatives when a child in their district is the subject of an alleged child abuse/neglect investigation; expands notifications, with specific information, that DCFS must report to the state child ombudsman – upon receiving information and after the conclusion of the investigation; and authorizes the ombudsman to have unrestricted remote access to view records on DCFS’s child welfare computer networks/systems. Proposed law adds testimony, with identifying information and explicit details related to physical or sexual abuse of children, in executive session. Proposed law requires DCFS to establish law enforcement liaison positions in each region; designate a chief medical director to manage a public website. Proposed law creates a critical incident review team, with specific members, to review cases of child fatalities/near fatalities. Proposed law requires a forensic interview by a child advocacy center (CAC) within 72 hours, and CAC to notify the multidisciplinary investigative team within 24 hours. Proposed law requires all mandatory reporters to complete annual training provided by DCFS. Implementation of proposed law is contingent upon appropriation by the legislature.

EXPENDITURE EXPLANATION

To the extent the Legislature appropriate funds, proposed law may significantly increase expenditures and positions in the Department of Children and Family Services (DCFS). There is no anticipated material impact on the Office of the Attorney General, the State Child Ombudsman (LA Legislative Auditor), law enforcement agencies, district courts, or district attorneys. **Implementation of proposed law shall be subject to the appropriation of funds by the legislature for this purpose.**

Department of Children and Family Services (DCFS) - Proposed law requires DCFS to do the following, subject to appropriation: (1) designate a Chief Medical Director to oversee all matters regarding child fatalities and near fatalities; (2) increase notification, by the Chief Medical Director, to the State Child Ombudsman of all child fatalities or near fatalities within three business days, and notifications must include certain information; (3) allow the State Child Ombudsman unrestricted remote access to the department’s child welfare case management systems including certain reports and assessments; (4) management of a public website for substantiated cases of child fatalities or near fatalities by the Chief Medical Director, and to release a public summary report with certain information within 120 days; (5) create new law enforcement liaison positions for each region; (6) require DCFS to notify reporter of alleged abuse/neglect to the specific law enforcement agency where the report was referred; (7) disallow the department from closing cases prior to the review of the case by the multidisciplinary critical incident review team; and (8) require the department to “immediately” investigate all reports deemed a high level of risk.

DCFS reports that the proposed law will increase expenditures by \$1,572,354 (\$1,100,648 SGF and \$471,706 Federal) and 12 T.O. positions beginning in FY 27, with a 4% increase for market rate adjustments and related benefits for positions in future fiscal years. DCFS estimates the need for 12 T.O. positions with salaries and related benefits (\$1,206,246). Other recurring costs include operating expenses (\$6,000) and other charges (\$14,400), as well as one-time expenditures in FY 27 for 12 new vehicles for new staff (\$345,708 = \$28,809 x 12). In subsequent fiscal years, the fiscal note presumes a 4% increase in salaries and related benefits for market rate adjustments as the positions will be classified. See the expenditure table on Page 2.

EXPENDITURE EXPLANATION Continued on Page 2

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.

Senate Dual Referral Rules
 13.5.1 >= \$100,000 Annual Fiscal Cost {S & H}
 13.5.2 >= \$500,000 Annual Tax or Fee Change {S & H}

House
 6.8(F)(1) >= \$100,000 SGF Fiscal Cost {H & S}
 6.8(G) >= \$500,000 Tax or Fee Increase or a Net Fee Decrease {S}

EXPENDITURE EXPLANATION Continued from Page 1

Also, DCFS estimates an indeterminable increase for IT system enhancements by the Office of Technology Services (OTS) as follows: (1) develop a new page on its website to publish data on substantiated cases of child fatalities and near fatalities; (2) unrestricted remote view access by the State Child Ombudsman; (3) provide information and track outcomes by the multidisciplinary critical incident review team; (4) prevent case closures prior to view by the team; and (5) generate notices and produce a print file for notifications to reporters on law enforcement referrals.
