Subject: Provides for payments to healthcare providers	

HEALTH CARE RR1 NO IMPACT See Note Page 1 of 1
 Provides for payments to healthcare providers.

Proposed law modifies present law governing standards for the receipt and processing of nonelectronic claims, the receipt and processing of electronic claims, remittance advice requirements, payment standards, limitations on claim filing, recoupment of health insurance claims payments, and nonelectronic claims submissions.

Proposed law removes the exemption of the Office of Group Benefits' (OGB) from present law.

Proposed law prohibits contractual waivers and further provides that any attempted waiver shall be void.

Proposed law provides for prior authorization requirements for electronic claims.

Proposed law removes provisions related to just and reasonable grounds for noncompliance.

Proposed law adds a provision to present law that any municipality or political subdivision with less than two employees may do either of the following: (1) contract with an authorized insurance company to insure their employee or official under policies of individual insurance covering hospitalization, and retirement for the employee or official, and may agree to match payments of the employee or official for the premiums or charges for any such contracts payable out of the funds of the municipality or political subdivision respectively; (2) reimburse employee or official for payment toward any policies of individual insurance covering hospitalization, and retirement, for the employee or official. Effective January 1, 2027.
