HR 311 Original

2026 Regular Session

Coates

Urges and requests the House Committee on Natural Resources and Environment to study the importance, stewardship, protection, management, conservation, recreational value, fisheries resources, tourism significance, ecological integrity, and long-term sustainability of Louisiana's Scenic Rivers Program and designated scenic rivers throughout the state, including issues affecting the Tangipahoa River following the Smitty's Supply incident, and to report any findings and recommendations to the House of Representatives no later than Feb. 1, 2027.
