Subject: Fireman's Supplemental Pay		

SUPPLEMENTAL PAY EN NO IMPACT See Note Page 1 of 1

Increases the membership of the Fireman's Supplemental Pay Board and establishes additional qualifications for service on the board

Proposed law amends provisions relative to the Fireman's Supplemental Pay Board. Proposed law establishes additional qualification requirements intended to ensure that board members possess relevant experience, knowledge, or professional background related to fire service, public administration, or program oversight. Proposed law provides for adjustments to the composition of the board to allow for broader representation, which may include additional stakeholders or perspectives involved in the administration of the state's supplemental pay program for firefighters. It maintains the board's existing duties and authority with respect to oversight and administration of supplemental pay but seeks to improve the effectiveness of those functions through changes in structure and membership. Proposed law provides for an effective date of January 1, 2028.
