Prohibits certain individuals from having an ownership interest or financial interest in any company that provides electronic monitoring services

Current law provides for the registration of electronic monitoring service providers; prohibits an elected official, or any immediate family member of an elected official, from being a vendor or having a financial interest in a vendor for electronic monitoring services in the state. Proposed law changes current law by applying the prohibition against being a vendor or having a financial interest in a vendor for electronic monitoring services only to elected judges, district attorneys, sheriffs, chiefs of police, constables, marshals, and any immediate family of these individuals; provides definition of an immediate family.
