

## **RÉSUMÉ DIGEST**

**HCR 118**

**2026 Regular Session**

**Martinez**

Urges the Louisiana Department of Insurance to compile and publish comprehensive, accessible data on the homeowners and private passenger automobile insurance markets annually. The data will encompass claims activity, premium trends, market participation, and comparative data at both regional and national levels to assess ongoing reforms, enhance transparency, and inform policymakers and consumers. A report detailing these findings will be submitted to the legislature by February 1, 2027.
