2026 Regular Session

Freeman

Requests that the Dept. of Children and Family Services, in consultation with the state Dept. of Education, study the implementation of the provisions of existing law (Ch.C. Art. 603.1(B)) relative to online training requirements for reporting child abuse and submit a report of findings and conclusions, including any recommendations for related legislation, to the House and Senate education committees by March 1, 2027.
