

RÉSUMÉ DIGEST

ACT 369 (SB 220)

2026 Regular Session

Talbot

Prior law requires the secretary of state to take all necessary actions for the acts and joint resolutions of the legislature to be accessible on the internet and the Official Journal of the State.

New law removes the requirement to make acts and resolutions accessible on the internet website or portal of the Official Journal of the State and requires that secretary of state to transmit the acts and joint resolutions of the legislature to the Official Journal of the State.

Prior law, in Acts 2025/374 effective July 1, 2027, provides for a website as the official journal of the state to be maintained by the division of administration.

New law moves this effective date from July 1, 2027 to July 1, 2028.

Effective August 1, 2026.
