**ACT 917 (SB 513)**

**2026 Regular Session**

**Fesi**

New law provides a public airport may use the design-build method to contract for construction for vertical facilities on airport property, excluding passenger terminal facilities at commercial service airports and equipment.

New law further provides vertical facilities may include education or workforce development facilities, airport air traffic control towers, parking garages, and aircraft hangars.

Effective August 1, 2026.
