

RÉSUMÉ DIGEST

ACT 460 (SB 111)

2026 Regular Session

Kleinpeter

Existing law provides daily take limits for black bass of genus *Micropterus* and crappie of genus *Pomoxis*.

New law adds a minimum size limit of 12 inches and daily take limit of 5 for black bass and a minimum size limit of 8 inches and daily take limit of 25 for crappie within a specified geographic area, including the Atchafalaya Basin and surrounding tributaries and distributaries.

Effective August 1, 2026.

(Adds R.S. 56:325(A)(13))
