

RÉSUMÉ DIGEST

ACT 771 (SB 468)

2026 Regular Session

Seabaugh

Existing law provides that fuel sold at a price below the retailer's cost constitutes an unfair trade practice.

New law provides for an exemption to existing law when fuel is purchased using fuel rewards points earned through a loyalty program, fuel rewards program, or other discount fuel program.

Effective August 1, 2026.

(Adds R.S. 51:422.1(F))
