

RÉSUMÉ DIGEST

ACT 292 (HB 203)

2026 Regular Session

Walters

Existing law establishes the Uterine Fibroids Commission within the La. Dept. of Health.

Prior law provided that one member of the commission be nominated from the Christus Health System.

New law removes the member nominated from the Christus Health System from the commission and adds one member from the Xavier Ochsner College of Medicine.

Effective August 1, 2026.
