

## **RÉSUMÉ DIGEST**

**ACT 128 (HB 150)**

**2026 Regular Session**

**Bourriague**

New law authorizes the governing authority of Cameron Parish to establish, by ordinance, a local insurance program to assist homeowners who reside within the parish with offsetting homeowner and flood insurance costs. Requires that the ordinance establishing the program provide for the administration and management of the program. Further requires the ordinance to provide for the adoption of rules and regulations to establish eligibility criteria to determine which homeowners qualify for program assistance.

New law authorizes the parish governing authority to establish, by ordinance, a local insurance fund to provide funding for the program. Additionally authorizes the parish governing authority to appropriate local parish funds to the local insurance fund.

New law provides that the program shall be modified or repealed as provided in the ordinance establishing the program. Provides that program funds must be transferred to the parish general fund if the program ceases to exist.

Effective August 1, 2026.
