ACT 936 (HB 1082)

2026 Regular Session

Dewitt

Prior law (C.C.P. Art. 84) required any actions involving the Municipal Police Employees' Retirement System to be brought in the parish of East Baton Rouge or in the parish of the domicile of the retirement system or employee benefit program.

New law repeals prior law with respect to the Municipal Police Employees' Retirement System.

New law requires an action to be brought in East Baton Rouge or in the parish of the domicile of the retirement system or employee benefit program when the Municipal Police Employees' Retirement System or its board of trustees is the defendant.

New law further requires an action to be brought only in the district court having jurisdiction in the parish in which the cause of action arises when the Municipal Police Employees' Retirement System or its board of trustees is the plaintiff.

Effective August 1, 2026.
