

RÉSUMÉ DIGEST

ACT 428 (HB 345)

2026 Regular Session

McMakin

Existing law creates the Class II and III Rail Infrastructure Improvement Program and requires the program be made available for rail improvement needs to maintain efficient rail service on the rail network and implement recommendations in the La. Freight Mobility Plan and State Rail Plan. Provides an illustrative list of eligible projects under the program.

New law retains existing law and adds rail infrastructure at ports as an eligible project.

Effective August 1, 2026.
