

RÉSUMÉ DIGEST

HCR 120	2026 Regular Session	Lyons
----------------	-----------------------------	--------------

Establishes the P.A.C.E. Task Force to prioritize access, care, and education regarding GLP-1 medications by evaluating their clinical history, availability, and influence on insurance costs for both insured individuals and insurers within the state. The task force is required to present its findings no later than Feb. 12, 2027.
