

RÉSUMÉ DIGEST

ACT 534 (HB 202)

2026 Regular Session

McMakin

New law requires the Dept. of State Civil Service to list the salary or salary range of a vacant classified position within the job announcement.

New law provides that if an individual applies for a vacant classified position posted by the Dept. of State Civil Service and the individual is rejected or the vacancy has been filled, the Dept. is required to notify the individual of the rejection or that the vacancy has been filled.
