12 AMENDMENT NO. 3

13 On page 1, delete lines 14 through 17 and insert the following:

14	"(d)(i) The Legislature of Louisiana recognizes that due to a recent common
15	disaster and state of emergency in our state, an unprecedented number of
16	persons have been temporarily displaced from their parishes of residence for
17	an indefinite period of time. Because the right to vote is a right that is essential
18	to the effective operation of a democratic government, the legislature finds that
19	the state has a compelling interest in securing the right to vote for any person
20	temporarily displaced by a disaster or emergency who may experience greater
21	difficulty exercising his right due to his displaced status. The legislature,
22	therefore, enacts this Subparagraph, which shall apply to any person
23	temporarily displaced from his parish of residence by a gubernatorially
24	declared state of emergency, who registered to vote on or before September 24,
25	2005, when he submits with the application to vote by mail an affidavit attesting
26	that he is temporarily displaced from his parish of residence, that he is eligible
27	to vote in his parish of residence, and that he expects to be out of his parish of
28	registration during early voting and on election day. The provisions of this
29	Subparagraph shall be effective for a period of one year following the effective
30	date of this Item.
31	(ii) Upon expiration of Item (i) of this Subparagraph, any voter who has voted
32	absentee by mail pursuant to this Subparagraph who has not voted during early
33	voting or at the polls on election day shall not be considered to have previously
34	voted in the parish in which he is registered for purposes of Paragraph (1) of
35	this Subsection and shall be subject to the requirements of that Paragraph.

37	§425. Commissioners
38	А.
39	* * *
40	(4)(a) For an election held within one year following the date of the issuance
41	of any gubernatorial proclamation declaring a state of emergency, if a parish
42	board of election supervisors determines that there is a parishwide shortage
43	of commissioners because a significant number of commissioners have been

1 temporarily displaced due to such emergency, the board may submit a 2 written request to the secretary of state, on or before the twenty-third day 3 prior to an election, for additional commissioners from other parishes. The written request shall include the number of additional commissioners 4 5 requested and an explanation of the need for additional commissioners. If the secretary of state determines that there is a need for additional 6 7 commissioners and that the allocation of additional commissioners is feasible, 8 the secretary of state shall approve the request and notify the parish board of 9 election supervisors of the affected parish. The board of the affected parish 10 shall request the parish boards of election supervisors to submit lists of 11 available commissioners by the fifteenth day prior to the election. The board of the affected parish shall select commissioners to serve in the affected 12 13 parish from such lists based on availability, proximity and, to the extent 14 possible, the requirements for representation based on recognized political 15 party affiliation as provided for in R.S. 18:434(B)(7). The clerk of court of 16 the affected parish shall ensure that the selected commissioners have 17 received adequate training on the voting machines that are used in the 18 affected parish and on any procedures necessary for the conduct of the 19 election. The selected commissioners, upon approval of the secretary of 20 state, shall be entitled to appropriate reimbursement for travel expenses.

21 (b)The same authority and procedure provided in Subparagraph (a) of this 22 Paragraph shall apply to absentee commissioners under the same 23 circumstances.

25 Section 2. This Act shall become effective upon signature by the governor or, if
26 not signed by the governor, upon expiration of the time for bills to become law
27 without signature by the governor, as provided by Article III, Section 18 of the
28 Constitution of Louisiana. If vetoed by the governor and subsequently approved
29 by the legislature, this Act shall become effective on the day following such
30 approval."
