SB NO. 107 ENROLLED

B. The minimum standards adopted by the secretary governing operation and
maintenance of hospitals may contain regulations in relation to:

3 * * *

(7) Minimum number of beds required, which shall be ten. In the case of a parish in which the sole hospital providing inpatient and emergency department services temporarily ceases operations as a result of an event which is the subject of an executive order or a proclamation of emergency or disaster issued in accordance with R.S. 29:724, the Department of Health and Hospitals shall waive the minimum bed number. The requirement of a minimum number of beds shall be waived in order that a temporary hospital may be constructed or a modular building designed for inpatient services may be utilized in such parish. Such waiver shall be effective for a period of two years, beginning the date on which the temporary hospital commences operations as an inpatient facility. Extensions shall be granted by the Department of Health and Hospitals for good cause, including, but not limited to delays in construction beyond the provider's control.

18 §2116. Facility need review

19 * * *

J.(1) Notwithstanding any other provision of law to the contrary, the facility need review approval for licensed nursing homes or intermediate care facilities for the mentally retarded (ICF/MR) located in an area or areas which have been affected by an executive order or proclamation of emergency or disaster and which were operating at the time the executive order or proclamation was issued under R.S. 29:724 shall remain in effect and shall not be terminated, considered to have expired, or revoked until January 1, 2008. For this exception to apply, the emergency or disaster shall be the sole causal factor in the interruption of the provision of services. This exception shall not apply if any one of the following occurs:

(a) The approval is voluntarily surrendered by the provider.

SB NO. 107 ENROLLED 1 (b) The provider fails to notify in writing the health standards section of 2 the Department of Health and Hospitals of its intention to avail itself of the 3 continuation of facility need review approval no later than December 31, 2005. 4 (c) The provider fails to recommence providing services prior to January 5 1, 2008. (2) Nothing in this Subsection shall be construed to accomplish either of 6 7 the following: (a) To permit a nursing home which has relocated, as the result of an 8 9 executive order or declaration of emergency or disaster issued in accordance 10 with R.S. 29:724, to relocate such facility outside of the geographic area for 11 which the original facility need review approval was granted. 12 (b) To permit a nursing home which has relocated, as the result of an executive order or declaration of emergency or disaster issued in accordance 13 14 with R.S. 29:724, to obviate the provisions of R.S. 40:2116(D)(2). 15 Section 2. This Act shall become effective upon signature by the governor 16 or, if not signed by the governor, upon expiration of the time for bills to become law 17 without signature by the governor, as provided by Article III, Section 18 of the 18 Constitution of Louisiana. If vetoed by the governor and subsequently approved by 19 the legislature, this Act shall become effective on the day following such approval.
