1 AN ACT

2 To enact R.S. 17:285.1, relative to curriculum and instruction; to provide relative to the  
3 teaching of scientific subjects in public elementary and secondary schools; to  
4 promote students' critical thinking skills and open discussion of scientific theories;  
5 to provide relative to support and guidance for teachers; to provide relative to  
6 textbooks and instructional materials; to provide for rules and regulations; to provide  
7 for effectiveness; and to provide for related matters.

8 Be it enacted by the Legislature of Louisiana:

9 Section 1. R.S. 17:285.1 is hereby enacted to read as follows:

10 **§285.1. Science education; development of critical thinking skills**

11 **A. This Section shall be known and may be cited as the "Louisiana**  
12 **Science Education Act."**

13 **B.(1) The State Board of Elementary and Secondary Education, upon**  
14 **request of a city, parish, or other local public school board, shall allow and**  
15 **assist teachers, principals, and other school administrators to create and foster**  
16 **an environment within public elementary and secondary schools that promotes**  
17 **critical thinking skills, logical analysis, and open and objective discussion of**  
18 **scientific theories being studied including, but not limited to, evolution, the**  
19 **origins of life, global warming, and human cloning.**

1                   (2) Such assistance shall include support and guidance for teachers  
2                   regarding effective ways to help students understand, analyze, critique, and  
3                   objectively review scientific theories being studied, including those enumerated  
4                   in Paragraph (1) of this Subsection.

5                   C. A teacher shall teach the material presented in the standard textbook  
6                   supplied by the school system and thereafter may use supplemental textbooks  
7                   and other instructional materials to help students understand, analyze, critique,  
8                   and review scientific theories in an objective manner, as permitted by the city,  
9                   parish, or other local public school board unless otherwise prohibited by the  
10                  State Board of Elementary and Secondary Education.

11                  D. This Section shall not be construed to promote any religious doctrine,  
12                  promote discrimination for or against a particular set of religious beliefs, or  
13                  promote discrimination for or against religion or nonreligion.

14                  E. The State Board of Elementary and Secondary Education and each  
15                  city, parish, or other local public school board shall adopt and promulgate the  
16                  rules and regulations necessary to implement the provisions of this Section prior  
17                  to the beginning of the 2008-2009 school year.

18                  Section 2. This Act shall become effective upon signature by the governor or, if not  
19                  signed by the governor, upon expiration of the time for bills to become law without signature  
20                  by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If  
21                  vetoed by the governor and subsequently approved by the legislature, this Act shall become  
22                  effective on the day following such approval.
