

Prior law provided for an early intervention pilot program for at-risk children in the parishes of Iberia, St. Mary, and St. Martin.

New law makes the early intervention pilot program for at-risk children in the parishes of Iberia, St. Mary, and St. Martin permanent.

Prior law provided for the program's termination on July 1, 2009.

New law eliminates the termination date.

Effective upon signature of governor (June 25, 2009).
