EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

Officials with the Central Community School Board and East Baton Rouge Parish School Board stated there was a previous settlement between the two entities regarding the transfer of land. This bill would add the section 16 property to the Central Community School System boundaries.

According to an official with the East Baton Rouge Parish School Board, the land is a wooded area that does not require a large amount of maintenance. Therefore, Central Community School Board may incur a minimal increase in expenditures to maintain the land, and East Baton Rouge Parish School Board will have a minimal decrease in expenditures as a result of the transfer of land.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.

An official with East Baton Rouge Parish School Board stated that the land has an appraised value of \$1,624,800; however, revenues would not be affected. The land would be transferred to the Central Community School Board, and would involve no monetary exchange.
