9 Be it enacted by the Legislature of Louisiana:

10 Section 1. R.S. 15:1110(F), 1110.1, and 1110.2 are hereby enacted to read as
11 follows:

12 §1110. Detention standards; licensing; fees

13 * * *

14 F. There shall be an annual license fee for any license issued to a detention
15 facility as follows:

16 (1) For a detention facility authorized to care for six or fewer juveniles, the
17 license fee shall be four hundred dollars.

18 (2) For a detention facility authorized to care for at least seven but not more
19 than fifteen juveniles, the license fee shall be five hundred dollars.

1 ~~(3) For a detention facility authorized to care for sixteen or more juveniles,~~
2 ~~the license fee shall be six hundred dollars.~~

3 §1110.1. Operating without or in violation of license or regulations; penalties

4 A. Whoever operates a juvenile detention facility without a valid license
5 issued by the Department of Children and Family Services pursuant to R.S. 15:1110
6 shall be fined not less than seventy-five dollars nor more than two hundred fifty
7 dollars for each day of operation without the valid license. In addition to seeking
8 civil fines imposed pursuant to the provisions of this Section, if any juvenile
9 detention facility operates without a valid license issued by the department, the
10 department may file suit in the district court in the parish in which the facility is
11 located for injunctive relief, including a temporary restraining order, to restrain the
12 institution, society, agency, corporation, person or persons, or any other group
13 operating the facility, from continuing the violation.

14 B.(1) No person shall operate any juvenile detention facility in violation of
15 any provision of R.S. 15:1110, or any other state or federal statute, regulation, or any
16 department rule adopted pursuant to the Administrative Procedure Act which
17 governs the ownership or operation of juvenile detention facilities.

18 (2) In lieu of revocation of the facility's license, the department may assess
19 a civil fine upon any person or entity violating these requirements when the violation
20 creates a condition or occurrence relating to the operation and maintenance of a
21 juvenile detention facility that threatens the health, safety, rights, or welfare of a
22 child. Such civil fines shall not exceed two hundred fifty dollars per day for the first
23 fine assessment and shall not exceed five hundred dollars per day for each repeat fine
24 assessment that occurs within an eighteen-month period from the first fine
25 assessment. In addition, the person or entity may be liable for any criminal action
26 which may be prosecuted pursuant to other applicable laws.

27 (3) The department shall adopt rules in accordance with the Administrative
28 Procedure Act which provide specific factors for assessing civil fines including
29 severity of risk, actual harm, and mitigating circumstances, and which explain the

1 treatment of continuing and repeat deficiencies. The department shall develop and
2 adopt rules and regulations required by this Paragraph with input and guidance from
3 the Louisiana Juvenile Detention Association. The authority to impose fines
4 pursuant to this Section shall commence on the effective date of the rules
5 promulgated pursuant to this Section.

6 (4) The aggregate fines assessed for violations of this Part determined in any
7 consecutive twelve-month period shall not exceed five thousand dollars.

8 C.(1) The department shall adopt rules and regulations in accordance with
9 the Administrative Procedure Act to provide for notice to the juvenile detention
10 facility of any violation, for a departmental reconsideration process for fines issued,
11 and for an appeal process to contest fines issued, including judicial review.

12 (2) An appeal of any department decision for a violation of any provision of
13 this Part shall be suspensive. All appeals filed pursuant to the provisions of this
14 Section shall be heard by the division of administrative law pursuant to Chapter 13-B
15 of the Louisiana Revised Statutes of 1950. The appeal shall be heard in a summary
16 proceeding which shall be given precedence over other pending matters. The
17 division shall furnish the facility or agency a copy of the decision, together with
18 notice of the procedure for requesting judicial review.

19 D. With its application for appeal, the juvenile detention facility shall furnish
20 bond in the minimum amount of one hundred ten percent of the amount of the fine
21 imposed by the department. The bond furnished shall provide that it is furnished as
22 security that the juvenile detention facility will prosecute its appeal, that any
23 judgment against it, including court costs, will be paid or satisfied from the amount
24 furnished, or that otherwise the surety is liable for the amount assessed against the
25 facility.

26 E. The department may institute all necessary civil court actions to collect
27 fines imposed which are not timely appealed. No juvenile detention facility may
28 claim imposed fines as reimbursable. Interest shall begin to accrue at the current
29 judicial rate on the day following the date on which any fines become due and

1 payable. All costs of any action to collect such fines, including travel expenses and
2 reasonable attorney fees, shall be awarded to the department in addition to the fines.

3 F.(1) Civil fines collected pursuant to the provisions of this Section shall be
4 deposited immediately into the state treasury.

5 (2) After compliance with the requirements of Article VII, Section 9(B) of
6 the Constitution of Louisiana relative to the Bond Security and Redemption Fund,
7 and prior to the monies being placed in the state general fund, an amount equal to the
8 amount deposited as provided in Paragraph (1) of this Subsection shall be credited
9 to a special fund hereby created in the state treasury to be known as the "Juvenile
10 Detention Licensing Trust Fund". The monies in the fund shall be subject to annual
11 appropriation and shall be available exclusively for use by the Department of
12 Children and Family Services for:

13 (a) The protection of health, welfare, rights, or property of youth receiving
14 services from juvenile detention facilities licensed by the Department of Children
15 and Family Services.

16 (b) The enforcement of sanctions against juvenile detention facilities
17 licensed by the Department of Children and Family Services.

18 (c) Education, employment, and training of employees, staff, or other
19 personnel of juvenile detention facilities licensed by the Department of Children and
20 Family Services.

21 (d) The fund shall not be used for general operations of the department.

22 (3) The monies in the fund shall be invested by the treasurer in the same
23 manner as the monies in the state general fund, and all interest earned from the
24 investment of monies in the fund shall be deposited in and remain to the credit of the
25 fund. All unexpended and unencumbered monies remaining in the fund at the end
26 of the fiscal year shall remain in the fund.

27 (4) The secretary of the Department of Children and Family Services may
28 promulgate rules and regulations in accordance with the Administrative Procedure
29 Act to provide for the administration of the fund.

1 §1110.2. Disclosure requirements; penalties

2 A. Any owner, operator, current or prospective employee, or volunteer of a
3 juvenile detention facility licensed by the Department of Children and Family
4 Services shall report annually and at any time upon the request of the department on
5 the state central registry disclosure form promulgated by the department whether or
6 not his name is currently recorded on the state central registry for a justified finding
7 of abuse or neglect and that he is the named perpetrator.

8 B. All such completed state central registry disclosure forms shall be
9 maintained in accordance with the department licensing regulations. Any state
10 central registry disclosure form that is maintained in a juvenile detention facility
11 licensing file shall be confidential and subject to the confidentiality provision of R.S.
12 46:56(F) pertaining to the investigations of abuse and neglect.

13 C. Any owner, operator, current or prospective employee, or volunteer of a
14 juvenile detention facility licensed by the department who knowingly falsifies the
15 information on the state central registry disclosure form shall be fined not more than
16 five hundred dollars, imprisoned for not more than six months, or both.

17 D. Any owner, operator, current or prospective employee, or volunteer of a
18 juvenile detention facility licensed by the department who discloses that he is
19 currently recorded on the state central registry for a justified finding of abuse or
20 neglect shall be entitled to a risk assessment evaluation provided by the department
21 to determine that the individual does not pose a risk to children and shall have the
22 right to file an appeal in accordance with R.S. 49:992 of the Administrative
23 Procedure Act. Any such determination by the risk evaluation panel shall be kept
24 on file at all times by the department.

25 E. The department shall promulgate rules and regulations to implement the
26 provisions of this Section. The rules and regulations shall include but not be limited
27 to establishing criteria for risk evaluation requests, the composition of the risk
28 evaluation panel, and establishing criteria for risk evaluation determinations.

29 Section 2. This Act shall become effective on January 1, 2013.
