Provides relative to the disbursement of funds for the loss of life opportunities of wrongfully convicted persons

Present law provides for the disbursement of funds up to \$80,000 for the loss of life opportunities of persons who were wrongfully convicted in order to pay for certain job-skills training, education, or other medical and counseling services.

Proposed legislation retains present law but requires the petitioner to show that he has enrolled in or has registered for such training, classes, or services, or provide proof of actual expenses incurred as a result thereof.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on state governmental expenditures as a result of this measure. The proposed legislation does not decrease or increase the amount paid for "loss of life opportunities" for persons wrongfully convicted. However, as a result of the petitioner showing that he or she has enrolled, registered, or incurred expenses related to job training, counseling or medical services, or tuition, the amount awarded may be less than the maximum amount of \$80,000. Any amount awarded that is less than the maximum of \$80,000 would result in a SGF savings.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
