1	Subsection C of this Section. Discovery regarding the department's review,
2	approval, or structuring of the feasible plan and of an agency that reviews and
3	provides comments shall not be allowed until after the department submits its
4	final feasible plan with reasons to the court pursuant to Subsection C of this
5	Section. If a party subpoenas the records or testimony of the department or an
6	agency for deposition or trial, the party issuing the subpoena shall pay the costs

The court shall order that the plan be developed and submitted to the 6 7 department and the court within a time that the court determines is reasonable and shall allow the plaintiff or any other party at least thirty days from the date each plan 8 9 or submittal was made to the department and the court to review the plan or 10 submittal and provide to the department and the court a plan, comment, or input in response thereto. The department shall consider any plan, comment, or response 11 provided timely by any party. The department shall submit to the court a schedule 12 of estimated costs for review of the plans or submittals of the parties by the 13 14 department and the court shall require the party admitting responsibility or the party 15 found legally responsible by the court to deposit in the registry of the court sufficient 16 funds to pay the cost of the department's review of the plans or submittals. Any plan 17 or submittal shall include an estimation of cost to implement the plan.

18 (2)(a) Within sixty days from the last day on which any party may provide the department with a plan, comment, or response to a plan as provided in Paragraph 19 20 (C)(1) of this Section, the department shall conduct a public hearing on the plan or plans submitted. When a public hearing is held following a limited admission 21 22 pursuant to the Code of Civil Procedure Article 1563, then the department shall 23 not conduct an additional public hearing pursuant to this Section for the same environmental damage. Within sixty days of the conclusion of the hearing, the 24 department shall approve or structure a **<u>final</u>** plan, or if applicable, a preliminary 25 plan pursuant to Subparagraph (C)(3)(b) of this Section, based on the evidence 26 27 submitted which the department determines to be the most feasible plan to evaluate or remediate the environmental damage and protect the health, safety, and welfare 28 29 of the people. 3 (b) Except as otherwise provided for in this Section, from the date the party or parties, who admit responsibility or whom the court finds legally 4 responsible for the damage, submit a plan to the department until after the 5 department has filed with the court the approved feasible plan for the 6 7 evaluation or remediation of the environmental damage, no party to the litigation, either directly or indirectly, shall have ex parte communication with 8 9 any employee, contractor, or representative of the department regarding the 10 formation of the feasible plan or an agency providing comments to the department regarding the formation of the feasible plan. The feasible plan 12 issued by the department shall contain a signed affidavit of compliance with this 13 restriction. Any comments provided by an agency to the department shall also contain a signed affidavit of compliance with this restriction. 14

15 (3)(a) The department shall use and apply the applicable regulatory standards in approving or structuring a plan that the department determines to be the 16 most feasible plan to evaluate or remediate the environmental damage. 17

Based on the findings of the department, the department 11 may issue any compliance order it deems necessary to either the operator of 12 record or, where applicable, a party found responsible or admitting 13 responsibility for implementing the most feasible plan to evaluate or remediate the environmental damage under applicable regulatory standards. If a 14 15 compliance order is issued against the responsible party who is not the current operator of record, the responsible party shall give the current operator of 16 record notice of the compliance order within thirty days of the responsible 17 18 party's receipt of the compliance order. * * * 19 20 L.
