

Present constitution grants a right to each citizen to keep and bear arms and provides that this right shall not be abridged and provides that this right does not prevent the passage of laws to prohibit the carrying of weapons concealed on the person.

Proposed constitutional amendment provides that the right of each citizen to keep and bear arms is fundamental and shall not be infringed. Proposed constitutional amendment further provides that any restriction of this right be subject to a standard of strict scrutiny by a court in determining its constitutionality.
