HB No. 231

Abstract: Authorizes the governing authority of Lafayette Parish to create, by ordinance, an automobile rental tax district.

Proposed law authorizes the Lafayette Parish governing authority to create, by ordinance, an automobile rental tax district as a political subdivision of the state. Provides that the boundaries of the district shall be coterminous with the boundaries of the parish. Provides that the parish governing authority shall be the governing authority of the district.

Proposed law authorizes the district, subject to voter approval, to levy an automobile rental tax, not to exceed 3% of the gross proceeds derived from the lease or rental of an automobile pursuant to an automobile rental contract, less any sales and use tax included in such contract. Requires that the election on the question of the levy of the tax be held at the same time as a regularly scheduled election in the parish.

Proposed law excludes the following transactions from any tax that may be imposed:

- (1) Automobiles rented by an insurance company as a replacement vehicle for a policyholder.
- (2) Automobiles rented by an automobile dealer as a replacement vehicle while a customer's vehicle is being repaired.
- (3) An automobile rental by an individual or business who rents a vehicle as a replacement vehicle while his vehicle is being repaired if the individual presents to the renter upon return of the rented vehicle a copy of the repair or service invoice.

Proposed law defines "automobile rental contract" to mean an agreement for the rental of an automobile without a driver, designated to carry less than nine passengers, for a rental period of not more than 29 calendar days. Provides that rental agreements in excess of 29 days shall not be subject to the tax, unless the actual period of the rental agreement is less than 29 days as a result of the exercise of a cancellation clause.

Proposed law requires that the avails of the tax be distributed to the North Lafayette Redevelopment Authority.

Proposed law requires the parish governing authority to prescribe in the ordinance creating the district any other purposes of the district.

Effective July 1, 2013.
