HOUSE BILL NO. 212

1

BY REPRESENTATIVE BROSSETT

Prefiled pursuant to Article III, Section 2(A)(4)(b)(i) of the Constitution of Louisiana.

AN ACT

2	To amend and reenact R.S. 29:726.3(A), (C)(2), and (D)(1) and to enact R.S. 29:726.3(C)(3)
3	and (G)(3), (4), and (5), relative to the Louisiana Homeland Security and Emergency
4	Assistance and Disaster Act; to provide for the development, operation, and
5	maintenance of a critical incident planning and mapping system for nonpublic
6	schools, proprietary schools, and nonpublic colleges and universities; to provide for
7	responsibilities of each local parish office of emergency preparedness and the
8	Governor's Office of Homeland Security and Emergency Preparedness; to require
9	that certain entities provide critical information to be included in the system; to
10	provide for definitions; and to provide for related matters.
11	Be it enacted by the Legislature of Louisiana:
12	Section 1. R.S. 29:726.3(A), (C)(2), and (D)(1) are hereby amended and reenacted
13	and R.S. 29:726.3(C)(3) and (G)(3), (4), and (5) are hereby enacted to read as follows:
14	§726.3. Critical Incident Planning and Mapping System
15	A. To the extent that sufficient funds are appropriated to implement the
16	provisions of this Section, the Governor's Office of Homeland Security and
17	Emergency Preparedness shall develop, operate, and maintain a statewide critical
18	incident planning and mapping system for all public buildings, nonpublic schools,

(2) To the extent that sufficient funds are available to implement the provisions of this Section, each nonpublic school, proprietary school, and nonpublic college or university shall provide available information for their buildings located in this state to their local parish office of emergency preparedness, which shall be uploaded to the Virtual Louisiana System for inclusion in the system by the Governor's Office of Homeland Security and Emergency Preparedness. The available information shall include the following critical information for public buildings located in this state:

- (a) Building floor plans.
- (b) Evacuation plans and other fire protection information relative to each state building.
- (c) Any known hazards associated with the building. For purposes of this Subsection, "known hazards" shall include any hazard that might compromise the physical structure of the building or its occupants, creating an emergency situation requiring a response from first responder organizations such as local fire, emergency medical services, or law enforcement. These hazards shall be made known to first responders in incidents, including but not limited to active shooter incidents, fires, mass casualty events, hazardous material events, or weather events such as flash flooding and tornados.
- (3) The information required by the provisions of Paragraph Paragraphs (1) and (2) of this Subsection shall be available to first responders to assist in the determination of the best approach when responding to an emergency or disaster, including but not limited to the determination of evacuation routes and strategies for evacuation, alarms, and other signals or means of notification, plans for sheltering in place, and training and strategies for the prevention of attacks involving violence.

HB NO. 212 ENROLLED
D. The Governor's Office of Homeland Security and Emergency
Preparedness shall adopt rules in accordance with the Administrative Procedure Act
to implement the provisions of this Section. The rules shall provide for the
following:
(1) The manner by which the critical information required by the provisions
of Subsection C of this Section shall be transferred to the system from the office of
facility planning and control, division of administration, the governing authority of
local governmental subdivisions, and school superintendents, nonpublic schools,
proprietary schools, and nonpublic colleges and universities.
