HB No. 225

**Abstract:** Requires nongovernmental entities seeking line item appropriations to certify that the entity complies with the Open Meetings Law and the Public Records Law and agrees to any audits regarding the expenditure of any appropriated funds.

Present law requires any nongovernmental entity which is neither a budget unit nor a political subdivision of the state that is requesting funding from the state through the General Appropriation Bill, capital outlay bill, or any supplemental appropriation bill, to transmit certain information on a form, which is then made available to the members of the legislature and to the public.

Proposed law adds the following to the list of information the nongovernmental entity is required to transmit:

- (1) Certification that the entity's bylaws require the entity to comply with the Open Meetings Law and the Public Records Law regarding the expenditure of any appropriated funds.
- (2) Certification that the entity agrees to any audits regarding the expenditure of any appropriated funds.

(Adds R.S. 39:51.1(B)(12) and (13))
