1 AN ACT

2 To amend and reenact R.S. 25:1005, 1005.2, and 1005.3(A), relative to the Kenner Naval
3 Museum Commission; to remove provisions relative to acquisition and exhibit of a
4 specific ship by the museum; and to provide for related matters.

5 Be it enacted by the Legislature of Louisiana:

7 to read as follows:

8 §1005. Legislative intent

9 The legislature hereby recognizes that it is appropriate to establish a naval
10 museum on the Mississippi River at Kenner and that including a naval vessel of
11 historic significance as part of such museum will be a significant factor in its
12 effectiveness. The legislature finds that such a museum would be an excellent
13 educational and historical facility for Louisianians, especially school children, and
14 would also be a distinctive attraction to visitors to Louisiana and that the location of
15 such a facility at Kenner would complement and be complemented by the many
16 museums and other visitor attractions located there. The legislature recognizes that
17 the museum would also pay fitting tribute to those citizens of Louisiana who
18 participated in the naval engagements of our past wars. ~~The legislature therefore~~
19 ~~further recognizes the desirability of including as part of the museum the U.S.S.~~

1 additional improvements, films, videos, photographs, and memorabilia for public
2 display, as well as donations for the acquisition of such items, and for events on ~~the~~
3 ~~U.S.S. Cabot-Dedalo, or other~~ any naval vessel it acquires.

4 §1005.3. Authority to acquire, lease, construct, and finance certain facilities and
5 improvements

6 A. The Kenner Naval Museum Commission, in addition to those duties
7 specified in R.S. 25:1005.2, shall have the authority to acquire, lease, construct, and

12 producing potential of such facilities. In the exercise of this authority, the
