15 are hereby enacted to read as follows:

16 §1366. Duties of the board

17 A.(1) The board shall adopt tests of qualification to be possessed by any
18 persons actually engaged in residential plumbing work and see that any person
19 engaged in the duties of a residential plumber shall possess a residential plumber's
20 license.

1 (2) Any person holding a journeyman or master plumber's license who
2 engages in residential plumbing work shall be required to obtain a residential
3 plumber's license. Any person holding a journeyman or master plumber's license,
4 as of January 1, 2014, shall be authorized to engage in residential plumbing work
5 without a residential plumber's license until April 30, 2015.

6 B. The board shall adopt tests of qualification to be possessed by any persons
7 actually engaged in plumbing installation or plumbing work of any character; and see
8 that any person engaged in the duties of a journeyman plumber shall possess a
9 journeyman plumber's license.

10 ~~B.~~ C. The board shall adopt tests of qualification to be possessed by any
11 persons actually engaged in the art and business of a master plumber, and shall
12 require any person engaged in the duties of a master plumber to possess a master
13 plumber's license.

14 ~~C.~~ D. The board shall recognize the system of qualification or registration
15 of apprentices as administered by joint and nonjoint apprenticeship committees
16 approved by the state of Louisiana. However, the board may accept an affidavit
17 from an individual certifying his work experience in the field of plumbing, and such
18 individual may be certified as a journeyman plumber provided he passes the written
19 examination and pays the fees established by the board under R.S. 37:1368(B).

20 ~~D.~~ E. The board shall have the power to make such reasonable regulations
21 as it may deem desirable in the performance of its functions and enforcement of the
22 provisions of this Chapter.

23 ~~E.~~ F. The board shall meet at a minimum annually during the month of
24 August at the time and place designated by the president of the board and the
25 members and the advisory committee shall be so notified.

26 ~~F.~~ G. No special meeting shall be called without notifying each board
27 member and each member of the advisory committee in writing ten days in advance.

28 ~~G.~~ H. The board shall adopt tests of qualifications to be possessed by any
29 person engaged in the work of installing piping used solely to transport gases for

1 medical purposes and require any such person engaged in such work to possess a
2 license issued by the board.

3 ~~H. I.~~ The board shall adopt tests of qualifications to be possessed by
4 journeyman or master plumbers, licensed by the board, who seek an endorsement to
5 their journeyman or master plumber license authorizing them to engage in the work
6 or business of water supply protection specialists.

7 ~~H. J.~~ The board may establish and determine by rule minimum requirements
8 relative to continuing professional development for the renewal or reinstatement of
9 any license or special endorsement issued by the board.

10 §1367. License required, residential, journeyman, and master plumber; medical gas
11 piping installer; medical gas and vacuum systems verifier; water supply
12 protection specialist endorsement; local examination preempted

13 * * *

14 I. No natural person shall engage in doing the work of a residential plumber
15 unless he possesses a license or renewal thereof issued by the board.

16 §1368. Issuance of residential, journeyman, and master plumber's license; medical
17 gas piping and installation license; medical gas and vacuum systems verifier
18 license; water supply protection specialist endorsement; exemption

19 * * *

20 J. The board shall issue a license to any natural person who has at least five
21 thousand hours of experience as a residential plumber and who desires to engage in
22 doing the work of a residential plumber if he passes a written examination given by
23 the board for this purpose and pays the fees established by the board. The board
24 shall not adopt or promulgate any other experience or testing requirement for the
25 residential plumber's license.

26 * * *

27 §1371. Fees

28 A. The board may fix and charge reasonable examination, licensing, and
29 renewal fees for residential, journeyman, and master plumbers, temporary permit

fees for journeyman plumbers, restricted license fees for journeyman and master plumbers, and renewal fees for inactive master plumbers. The board may fix and charge reasonable examination, licensing, and renewal fees for persons engaged in the work or business of medical gas piping installation and for persons engaged in the work or business of a medical gas and vacuum system verifier. The board may also fix and charge reasonable examination, licensing, and renewal fees associated with endorsements issued to journeyman or master plumbers relative to the work of a water supply protection specialist. These fees shall not exceed the amount required to maintain the board and pay the expenses of operating the board and enforcing the provisions of this Chapter.
