EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

REVENUE EXPLANATION

The proposed law may result in an indeterminable decrease in self-generated revenue by exempting inspection fees on single axle two-wheel trailers and semitrailers. Owners of single axle two-wheel trailers and semitrailers currently pay a \$10 inspection fee. Of the \$10, \$4.75 is retained by the operator of the motor vehicle inspection station, \$4.00 is transferred to the Office of State Police for law enforcement purposes, and \$1.25 is transferred to the Office of Motor Vehicles for expenses associated with the motor vehicle inspection and financial responsibility programs.

It is unknown how many single axle two-wheel trailers and semitrailers are in the state of LA. However, for each trailer that is exempt from the inspection requirements, the Department of Public Safety will not collect \$5.25 (\$4.00 to State Police + \$1.25 to Motor Vehicles).
