**EXPENDITURE EXPLANATION**

Proposed law is anticipated to result in a nominal increase in expenditures. DOTD will make a one-time expenditure of approximately \$936 of TTF-Regular (\$468 per sign) for the material, fabrication cost, mounting posts, and installation required for placement of a sign on each directional lane of the 1.5 mile segment of the Leo Kerner/Lafitte Parkway. DOTD installs and maintains signage as normal operating costs associated with maintaining the state highways.

**REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
