EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. According to the Louisiana Workforce Commission (LWC), no employer has used magnetic media to file their contribution and wage reports since 2012. Thus, the use of magnetic media, once accepted as state-of-the-art technology, has become archaic technology. LWC has indicated that employers can file their reports via an online web-based portal.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
