HB No. 1131

Abstract: Requires part-time peace officers to complete a certified training program approved by the Council on Peace Officer Standards and Training.

Present law requires any person who begins employment as a peace officer in Louisiana subsequent to Jan. 1, 1986, to successfully complete a certified training program approved by the council and successfully pass a council-approved comprehensive examination within one calendar year from the date of initial employment.

Present law provides that any person who fails to comply with this requirement shall be prohibited from exercising the authority of a peace officer; however, such persons shall not be prohibited from performing administrative duties.

Proposed law retains present law and extends these requirements to part-time peace officers.
