EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure. Proposed legislation provides an exemption from the requirements of workers’ compensation coverage for home improvement contractors that meet specific criteria. The Legislative Fiscal Office assumes that licensed home improvement contractors currently are self-insured or pay workers’ compensation coverage to a private insurance carrier. Therefore, this measure does not impact the Louisiana Workforce Commission (LWC) or the LA State Licensing Board for Contractors.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
