Opp. Chamb. Action:

Proposed Amd.:

Sub. Bill For.:

Date: April 21, 2014	1:58 PM	Author: STOKES
Dept./Agy.: Public Safety		
Subject: Carbon Monoxide Alarms		Analyst: Matthew LaBruyere

PUBLIC SFTY/DEPARTMENTEG NO IMPACT See NotePage 1 of 1

Authorizes the fire marshal to require carbon monoxide alarm systems in certain hotels where a potential carbon monoxide poisoning threat exists

Proposed law provides that the fire marshal, or his designee, shall have the authority to require the owner or lessee of a structure that was in existence as of August 1, 2014, and is utilized as a hotel to install a carbon monoxide alarm system when he determines, as a result of a plan review, investigation, or inspection, that a carbon monoxide source within or attached to the building or structure poses a threat of carbon monoxide poisoning. The source of carbon monoxide may include, but not be limited to, an attached enclosed garage or fossil-fuel burning appliance or appliances.

Proposed law requires that an owner or lessee of a hotel, as defined in proposed law, or his agent shall declare the presence of a carbon monoxide source or the attachment of a parking garage to the hotel at the time building plans and specifications for the hotel are submitted to the fire marshal for review.

EXPENDITURE EXPLANATION

There is no anticipated direct material effect on governmental expenditures as a result of this measure.

Plan review and site inspection regarding carbon monoxide alarms will be handled within the daily operating process of the State Fire Marshal. Potential costs will only impact the builder and/or owner of the hotel.

REVENUE EXPLANATION

There is no anticipated direct material effect on governmental revenues as a result of this measure.
