DIGEST OF THE SENATE BILL AS RETURNED TO THE SENATE

White

SB No. 637

Present law provides relative to the La. State Board of Cosmetology.

Present law requires all registered cosmetology schools to do the following:

- (1) Offer a course of practical training and technical instruction extending over a period of not less than nine consecutive months and including not less than 1,500 hours for the basic course of cosmetology. The course of study shall include lectures, discussion, instructions, and mechanical application.
- (2) Offer a course of practical training and technical instruction extending over a period of not less than three consecutive months and including not less than 750 hours for the basic course of esthetics. This course of study shall include lectures, discussion, instructions, and mechanical application and shall include not less than 300 hours of practical application and lecture and not less than 200 hours of library study or research. The remaining hours may be made up of any combination of the above.
- (3) Provide for a period of continuing study in esthetics, including a course of not less than six weeks duration and containing not less than 200 hours of study.
- (4) Offer a course of practical training and technical instruction extending over a period of not less than three consecutive months and including not less than 500 hours for the basic course of manicuring. This course of study shall include lectures, discussion, instructions, and mechanical application and shall include not less than

300 hours of practical application and lecture and not less than 200 hours of library study or research.

- (5) Provide for a period of continuing study in manicuring, including a course of not less than six weeks duration and containing not less than 200 hours of study.

Proposed law authorizes the board to license by name any registered cosmetology school as an educational institution authorized to operate educational programs beyond postsecondary education, provided the school meets the following requirements:

- (1) Enrolls as students only individuals who have earned a high school diploma from an approved high school, a general equivalency diploma, or education equivalent of a diploma from an approved high school.
- (2) Adopts and discloses in writing to each student a complaint process approved by the board which includes notice of the following:
 - (a) The board's requirement to investigate and act upon student complaints pursuant to present law (R.S. 37:600, et seq.).
 - (b) The board's requirement to refer violations of criminal laws to law enforcement officials pursuant to present law (R.S. 37:575(A)(16)).
 - (c) The board's requirement to refer violations of consumer protection laws to the Louisiana Attorney General.
 - (d) The mailing address, telephone number and website address of the board.
- (3) The school is approved by the board to offer one or more courses leading to a certificate sufficient to apply for licensure as a cosmetologist, esthetician, or manicurist."

Proposed law changes present law to authorize all registered cosmetology schools to offer one or more the following, and proposed law further provides that postsecondary schools are required to offer one or more of the following only as a postsecondary educational program:

- (1) A course of practical training and technical instruction extending over a period of not less than nine consecutive months and including not less than 1,500 hours for the basic course of cosmetology leading to a cosmetology certificate sufficient to apply for licensure as a cosmetologist. The course of study shall include lectures, discussion, instructions, and mechanical application.
- (2) A course of practical training and technical instruction extending over a period of not less than three consecutive months and including not less than 750 hours for the basic course of esthetics leading to an esthetics certificate sufficient to apply for licensure as an esthetician. This course of study shall include lectures, discussion, instructions, and mechanical application and shall include not less than 300 hours of practical application and lecture and not less than 200 hours of library study or research. The remaining hours may be made up of any combination of the above.
- (3) A period of continuing study in esthetics, including a course of not less than six weeks duration and containing not less than 200 hours of study.
- (4) A course of practical training and technical instruction extending over a period of not less than three consecutive months and including not less than 500 hours for the basic course of manicuring leading to a manicuring certificate sufficient to apply for licensure as a manicurist. This course of study shall include lectures, discussion, instructions, and mechanical application and shall include not less than 300 hours of practical application and lecture and not less than 200 hours of library study or research.
- (5) A period of continuing study in manicuring, including a course of not less than six weeks duration and containing not less than 200 hours of study.

- (6) A "brush up" course of not less than six weeks and not less than 200 hours of study for any course of study offered by the school.
- (7) A cosmetology course that is not less than 250 hours for individuals seeking reciprocity from a jurisdiction that does not meet the requirements for licensure in the state of La.
- (8) A course of instruction leading to an instructor certificate, if the school is a postsecondary school.

Present law provides that a student who has studied at a school licensed or registered by another state, territory, foreign country, or province, or another registered school within the state of La. may transfer hours carried within the preceding three years, if approved by the enrolling school.

Proposed law retains present law.

Proposed law provides that each year, any school registered by the board as provided in present law (R.S. 37:594.1) is required to submit to the board in a manner prescribed by the board the following documentation showing:

- (1) Each student enrolled is a high school graduate or has the equivalent of a high school diploma.
- (2) The school is accredited by a national accrediting agency recognized by the board.
- (3) Any additional information as may be required by the board to meet requirements of the U.S. Dept. of Education for a postsecondary school including but not limited to certain provisions of federal law.

Proposed law requires that the provisions of proposed law shall not apply to schools that do not provide federal financial assistance to its students and do not require a high school diploma or the passage of a high school equivalency exam for admission. Further provides that proposed law shall not apply to schools that are not accredited and do not provide federal financial assistance to its students.

Effective August 1, 2014.

Amends R.S. 37:571(A) and 595(B), (C), and (D); (Adds R.S. 37:594.1))
