

New law provides for the issuance of title for a vehicle whose power train, computer, or electrical system has sustained water damage, but does not meet the criteria for a salvaged vehicle, or a certificate of destruction.

Requires a branded title to be issued indicating the vehicle has sustained water damage.

Requires the Department of Public Safety and Corrections to promulgate rules necessary to implement and enforce branded title for water damage vehicle.

Effective August 1, 2014.

(Adds R.S. 32:707(O))
