

Existing law prohibits persons owning livestock from permitting his livestock to roam at large on certain public highways in the state.

Prior law prohibited livestock from roaming at large on La. Highway 29 from Bunkie to its intersection with La. Highway 15 west of Evergreen.

New law retains existing law and changes the highway number from La. Highway 15 to La. Highway 115 to correct its intersection designation with La. Highway 29 in the list of public highways where livestock are prohibited from roaming at large.

Effective Aug. 1, 2014.
