Table with 7 columns: REVENUES, 2015-16, 2016-17, 2017-18, 2018-19, 2019-20, 5-YEAR TOTAL. Rows include State Gen. Fd., Agy. Self-Gen., Ded./Other, Federal Funds, Local Funds, and Annual Total.

EXPENDITURE EXPLANATION

Local expenditures may increase by approximately \$619,500 annually as a result of this measure.

The funds would provide for services, training, advocacy, resources and community connections for individuals with developmental disabilities within the boundaries of the district.

This measure would require the district to hold an election on the ad valorem tax in Wards 1-9 and 11. Information obtained from the Secretary of State's Office indicated that if the district holds the election on its own, the cost would be approximately \$70,000; if it is held at the time of a statewide election, its cost would be approximately \$3,500.

REVENUE EXPLANATION

If approved by the voters, a 2 mill tax would provide approximately \$619,500 annually starting in fiscal year 2016-17.

Per an official with the Lafourche Arc, this tax would not go to a vote of the people until late fall of 2015. Therefore, the tax would not be placed on the tax roll and collected until the 2016-17 fiscal year.

Information obtained from the Lafourche Parish Assessors Office indicated the taxable value of all immovable property in Wards 1-9 and 11 is \$309,747,096.
