- (2) Decrease employer contribution rates.

Proposed law retains present law.

Present law (R.S. 11:107.1) establishes a funding deposit account within each of the following retirement systems:

- (1) Assessors' Retirement
- (2) Clerks' of Court
- (3) Municipal Employees'
- (4) Parochial Employees'
- (5) Registrars of Voters'

Funds collected through exercise of present law authority to increase employer contribution rates are

deposited into these funding deposit accounts. Present law authorizes the named systems to use funds in their account to pay system UAL or decrease employer contribution rates. Proposed law retains present law.

Proposed law further authorizes such systems to use account balances to pay cost-of-living adjustments (COLAs). Requires payments made pursuant to proposed law to comply with present law requirements and restrictions on payment of COLAs.
