HB 299

2015 Regular Session

Chaney

COURTS: Provides with respect to surplus monies in the witness fee fund of the 6th Judicial District Court

Synopsis of Senate Amendments

1. Makes a technical change.

Digest of Bill as Finally Passed by Senate

Present law requires that witness fees be paid from court costs collected in individual cases tried in district or parish courts or in any court with juvenile jurisdiction or cases in which there is a plea of guilty or conviction. All of such costs shall be placed in a special fund that shall be maintained and be administered by the governing authority.

Proposed law retains present law.

Proposed law requires all parish governing authorities within the 6th Judicial District to transfer all surplus monies in the special fund that exceed \$2,000 at the end of each calendar year to the criminal court fund of the 6th JDC by Jan. 31st of each calendar year to be used for the same purposes that the present funds in the criminal court fund are being used.

Proposed law defines "special fund" as the special fund provided for in present law, and "surplus monies" as the amount of money which is in each special fund at the end of each calendar year and which is in excess of the total amount paid from each special fund as witness fees for off-duty law enforcement officers in that calendar year.

Proposed law prohibits any money obligated to be paid to any officer or agency for an off-duty law enforcement court appearance from being considered surplus monies.
