

RÉSUMÉ DIGEST

ACT 160 (SB 130)

2015 Regular Session

Johns

New law authorizes the governing authority of Calcasieu Parish to use a portion of the monies allocated from the Parish Transportation Fund to perform additional work to include:

- (1) Funding or performing landscaping and maintenance improvements along interstate highway rights-of-way within Calcasieu Parish.
- (2) Funding or constructing capacity improvements to state highways within Calcasieu Parish in accordance with DOTD standards.

New law requires that the additional work shall be performed, provided that the project cost does not exceed the contract limit as defined by law, and provided that the Calcasieu Parish governing authority indemnifies the state for any loss or injury arising therefrom.

Effective August 1, 2015.
