EN SEE FISC NOTE LF EX **SCHOOLS** Authorizes a local public school disrict to enter into an agreement with a higher-performing district to manage and operate one or more of its low-performing schools. (gov sig)

Proposed legislation would allow the school board of any public school system with one or more low-performing school to enter into an agreement with the school board of a higher performing system for the management and day to day operations of any or all such schools provided the higher performing school system received a letter grade of "C" or higher for the previous two years. The school board of each system shall mutually develop the terms and scope of the management agreement approved by a majority of members of each board.

## **EXPENDITURE EXPLANATION**

There is an indeterminable impact on expenditures of local school systems associated with management agreements authorized by this measure. Agreements would provide for the scope of services and specified activities to be provided as well as payment amounts for such services. The districts would use available state, federal and local funds for such agreements.

## **REVENUE EXPLANATION**

There is no anticipated direct material effect on governmental revenues as a result of this measure.
