## DIGEST 2016 Regular Session

Peacock

<u>Present law</u>, relative to the La. School Employees' Retirement System (LSERS), provides for a participant to receive funds from his individual deferred retirement option subaccount in one of two ways: a lump sum distribution or systematic disbursements approved by the board.

Proposed law retains present law and deletes the requirement for the disbursements to be systematic.

Effective June 30, 2016.

SB 8 Original

(Amends R.S. 11:1152(G)(1))
