<u>Present law</u> defines "marine product" as a new or used watercraft, boat, or motor designed for recreational or commercial use on water and a boat or watercraft trailer. The term also includes an outboard motor or a boat with an inboard/outboard motor attached to it. The term shall not mean a watercraft designed for use primarily for commercial purposes or new or used watercraft or boats adapted to be powered only by occupant's energy.

<u>Proposed law</u> provides an exclusion for motors designed for use primarily for commercial purposes and otherwise retains <u>present law</u>.

Effective August 1, 2016.
