- 21 E.(1) General obligation bond funding of non-state projects shall be limited 22 to no more than twenty-five percent of the cash line of credit capacity for projects 23 in any fiscal year. Non-state projects are those projects not owned and operated by 24 the state except those projects determined by the commissioner of administration to be a regional economic development initiative or regional health care facility 25 operated in cooperation with the state. However, the designation of a nonstate 26 27 project by the commissioner of administration as a regional economic development 28 initiative or regional health care facility operated by the state shall be approved by 29 the Joint Legislative Committee on Capital Outlay prior to the match requirement 30 provided for in this Section being waived or prior to the project being considered a state project for purposes of the twenty-five percent funding limitation for non-state 31 32 projects.
- 33 (2)(a) Non-state entity projects shall require a match of not less than twenty-34 five percent of the total requested amount of funding except:
- 35 (a)(i) A project deemed by the commissioner of administration to be an emergency project.

1 2 3 4 5 6 7	(b)(ii) A project of a non-state entity which has demonstrated its inability to provide a local match. The division of administration shall promulgate rules establishing a needs-based formula for determining the inability of a non-state entity to provide the required local match. However, such the rules shall be approved by the House Committee on Appropriations, the House Committee on Ways and Means, the Senate Committee on Finance, and the Senate Committee on Revenue and Fiscal Affairs before they are promulgated.
8 9	(c)(iii) A project for a rural water system servicing less than one thousand customers to extend or connect waterlines to other water systems.
10 11 12 13	(b) Beginning July 1, 2016, all requests for the waiver of the local match requirement pursuant to the provisions of this Paragraph shall be approved by the Joint Legislative Committee on Capital Outlay prior to the waiver becoming effective. A waiver that is not approved by the Joint Legislative Committee on Capital Outlay shall be inapplicable, inoperable, and of no effect.
15 16 17 18	F. The general obligation bond cash line of credit capacity shall be limited to two hundred <u>fifty</u> million dollars annually adjusted for construction inflation from 1994 2017. This limit shall only be raised by a favorable vote of two-thirds of the elected members of each house of the legislature.
